Steve Fearn is available to meet on Tuesday am. How about 9:00 at the Mobius Café?

I'm going to give Scott Fetchenheir a call later this morning. I thought that might work better than another email.

Hi, Steve.

Paula and I will be in Silverton on Tuesday morning prior to the ARSG meeting. We were wondering if you might have some time to meet with us then. We have had a chance to chat with Peter and Bill, and we would like the opportunity to talk with you about your perspectives on the community and water quality issues in the Animas River.

Thanks!
Cynthia
